

With 4 or more employees, BCAC has arranged to provide farm operations with a customized employee solution through STRATA Benefits. Through STRATA's services and preferred group arrangements, farmers will be able to choose a tailored plan to meet the specific needs of their farming operation and to retain employees in today's labour market.

STRATA will go to market and negotiate the best plan for you. In addition, they will draft your employee communications, resolve claims issues, and provide you with the guidance you need to manage an effective employee benefits program.

The focus is to ensure your benefit plan dollars, today and down the road, are spent in the most effective way possible.

In addition to accessing the market place, farmers will have access to a STRATA's preferred Total Advantage program that offers a full range of coverage including:

- Basic Life
- Optional Life & Dependent Life
- Accidental Death & Dismemberment
- Long and Short Term Disability
- Extended Health Care
- Prescription Drugs
- Vision
- Travel
- Dental
- Employee Assistance Programs (EAP)
- Health Spending Account (HSA)
- Flex Spending Account (FSA)
- Discounted Voluntary Benefits
