

BCAC Rental Car Discounts (offered through Enterprise and National)

Through BCAC's group Car & Truck Rental program with **Enterprise rent-a-car**, you will receive a preferred discount on on-line bookings only for your car rental needs in Canada, the USA, as well as overseas.

Enterprise Rent-A-Car has over 110 locations in Canada across 7 provinces, as well as several locations in the USA, UK, Ireland and Germany.

When booking use BCAC's group contact code, which is available to all BCAC Farmer ID cardholders. This code provides cardholders with an additional 4% savings above the best available public price.

Through BCAC's Car and Truck Rental program you will receive corporate pricing for all your car and truck rental needs with on-line, phone-in and drop-in bookings

National Car Rental has been a leader in the car rental industry for over 50 years with rental locations in Canada, United States, Europe, Latin America, the Caribbean, Asian-Pacific, Africa and Australia

When booking use BCAC's group contract which is available to all BCAC Farmer ID cardholders. This code provides cardholders with a maximum price guarantee for both advance bookings and walk-ups, - which could save up to \$35/day!

For general information
(ie not bookings – all bookings must be done with Enterprise or National)
